Nov. 3, 2009

Dear Parents:

St. Mary's School Council would like to enter a float into this year's Santa Claus parade in Goderich. This can only occur if we have enough help from interested people. Entering a float would require:

- 1) People coming together to help put a float together – decorating date to be determined.
- 2) Donations (most of which could be returned), e.g. trailer or flatbed, generator, decorations, lights.
- 3) Parents and students willing to ride on the float on Sat. Nov. 21st.
- 4) Help with dismantling the float after the parade.

We feel this is a good way to promote school spirit within our school and we hope that enough interest will be shown.

Our local Knights of Columbus are also hoping to have student representatives from our school walk with them for their float as well.

Please complete the bottom portion of this letter and return to school by Nov. 9th if you would be willing to help with this project in any capacity.

Sincerely,

Jackie Simpson, Principal
and St. Mary's School Advisory Council

Detach and Return

Name _____ Phone # _____

I would be interested in helping decorate/ put together a float.

I will donate the following items: _____

I would be interested in riding on the float with my children on Nov. 21st.

My children would be interested in being part of the Knights of Columbus float.
