

Things to be thinking of:

Thank you to every one for making Friday such a fun day. The costumes were amazing and we hope all the students had a wonderful time.

Please keep our school theme for the year-We Are Gifts To Each Other** - a major focus with your children. A theme can only successful if everyone tries to promote them as much as possible.**

For the month of Nov. we will be having the book of remembering in the front foyer again. As we reflect on All Saints and All Souls Days students are invited to complete a page of someone special who has died who they would like to remember.

Also do not forget to be encouragin your students to complete their Legion Remembrance Day submissions. This is a very important way to help children never forget what others did for us.
